**PARTNERSHIP PROSPECTUS**

Dear Industry Colleagues:

The Fundamentals of Musculoskeletal Ultrasound course will be held on November 10-11, 2018 at The Westin New Orleans Canal Place, in New Orleans, Louisiana. I would like to invite you to participate in and support this course as described within this prospectus. We will have limited support positions available and they will be secured on a first come, first served basis. This course sells out every year!

This two-day course will provide dedicated instruction in musculoskeletal ultrasound of the extremities and will include supervised hands-on workshops with live models. Full-course registration will consist of lectures and hands-on workshops that review ultrasound scanning protocols and essential pathology, as well as focused and advanced lecture topics and hands-on workshop topics specified by the participants. Alternatively, lecture only registration includes hours of comprehensive lectures covering scanning techniques, live demonstrations, as well as advanced topics. This course will be of interest to radiologists, physicians in the fields related to musculoskeletal system, and sonography technologists. Those without musculoskeletal ultrasound experience, as well as those wanting to refine skills are both welcome. This course provides a comprehensive overview of musculoskeletal ultrasound with ample opportunity to discuss advanced applications during the workshops.

If you would like to support this program or have additional questions, please contact Christina Espiritu at [christina@veritasmeeetingsolutions.com](mailto:christina@veritasmeeetingsolutions.com) or visit [www.mskultrasoundcourse.org](http://www.mskultrasoundcourse.org).

## SHARED BANDWIDTH

For events with fewer than 100 connections, consider our per-user pricing for non-dedicated bandwidth, available at two service-level options.

Attendees	Superior Up to 3 MB/s per device (Ideal for media streaming, mobile apps, and large-file downloads)	Superior Per-Day Rate*	Simple Up to 1 MB/s per device (Ideal for email and web browsing)	Simple Per-Day Rate*
< 25	4 Mb/s	\$28/attendee	2 Mb/s	\$18/attendee
26-50	5 Mb/s	\$23/attendee	3 Mb/s	\$15/attendee
51-100*	10 Mb/s	\$16/attendee	5 Mb/s	\$11/attendee

\*Bandwidth guidelines above are an estimate for the entire group and are not per attendee. All pricing is exclusive of Service Charge. Wired access priced separately.

## DEDICATED BANDWIDTH

For events with more than 100 connections and/or in which internet is critical to the success of the event, choose from our Dedicated Bandwidth options, ensuring your event receives the allotted bandwidth it needs, regardless of the other internet demands at the venue.

Bandwidth	Per-Day Flat Rate	Per-Week Flat Rate (3-7 days)	Suggested Attendance for "Medium" Bandwidth	Suggested Attendance for "Simple" Bandwidth
10 Mb/s	\$3,600	\$10,800	100	200

\*Dedicated bandwidth subject to availability from the venue's third-party provider. Dedicated Bandwidth rates and pricing assume multiple devices per attendee. Prices include unlimited devices, Wi-Fi and the use of existing live-wired connections. Additional rental equipment and labor for wired connections will be added as required. For events greater than 50 Mb/s or groups with high-bandwidth needs, please consult with PSAV for a custom proposal.
